

Henderson Aviation
Renters/Student Agreement for Aircraft Rental and Instruction
Scheduling : www.flightschedulepro.com or 678-230-7366

The following are guidelines and minimum requirements for aircraft rental:

- **Rental Rates – C-150 @\$85.00 , C-172 (430GPS) @\$100.00, C-172 SuperHawk (Glass Panel) @\$125.00 Per Hobbs Hour Meter plus Tax.**
- **Rates includes Fuel and Oil.**
- **Cross Country Fuels purchased require Fuel Receipt for reimbursement at Current CZL Fuel Rates.**
- **Block Flying Time in 10 hour Blocks – Available at discount.**
- **Overnight Rental – Minimum 2 Hours Per Day Charge.**
- **Call Prior to any Maintenance Repairs for Authorization.**

1. For Private pilot and higher rated Pilots:

- a. Current medical appropriate to Rating held by aircraft renter.
- b. Current Annual Flight Review.
- c. Valid Private Pilot License or Higher Rating.
- d. Aircraft/Pilot checkout by Aircraft Owner or His/Her Designated CFI Representative.
- e. All Rentals are to be scheduled using the Flight Scheduling Program located on the Internet at: www.flightschedulepro.com and are first come, first served.
- f. No Flights outside local area without filing a Flight Plan.
- g. All Customers are required to register on www.flightschedulepro.com with Pilot Details.
- h.

2. For Student Pilot Training:

- a. No Pre-Solo Students without CFI Instructor On-board.
- b. Solo Students – Only with CFI Endorsements and Pre-Solo Test Completed.
- c. All Solo-Student Cross Country flights require a filed Flight Plan.
- d. Aircraft/Pilot checkout by Aircraft Owner or His/Her Designated CFI Representative.
- e. All Rentals are to be scheduled using the Flight Scheduling Program located on the Internet at: www.flightschedulepro.com and are first come, first served.
- f. No Flights outside local area without filing a Flight Plan.

3. Record Hobbs and Tack Start / Stop Times in Time LogBook Provided.

- a. Should Hobbs Meter fail to function, the Tack Time will be used with correction factor of 1.2 times the indicated tack time used.
- b. Call the FBO (678-230-7366) if you are going to be delayed arriving for your scheduled flight time or returning late. The aircraft will be considered available 15 minutes after your scheduled arrival time if you have not called and next scheduled renter will be honored if other arrangements have not be coordinated with the next scheduled renter. Normal rental blocked time on schedule will be in 1.5 hour segments (Hobbs times used to compute actual flight time used for Rental).
- c. **All Payments can be made by Cash, Check, Visa, Master Card, Discover Card, or American Express Card and Checks should be made payable to: Henderson Aviation**
- d. **Registration on scheduler serves acknowledgement and Signature to Renter agreement.**
